

Linking ORCID to Australian Research Council RMS

Log into [ARC RMS](#) and go to your Person Profile > Personal Details. Click 'Connect your ORCID ID'.

https://rms.arc.gov.au/RMS/Person/Manage/Details

RMS Personal Details

Please note: Changing your email address will cause your current session to be logged out. You can then log in with your new email address.

Phone Number

Alternate Phone Number

Date of Birth

Gender

ORCID ID

Create or Connect your ORCID ID

Admin Organisation

Please note: The Admin Organisation will be able to view your personal details.

A pop up will ask you to log in to ORCID and once you've done that, the ARC request will appear:

(Not You)

Australian Research Council has asked for the following access to your ORCID Record

Read your information with visibility set to Trusted Parties

This application will not be able to see your ORCID password or any other information in your ORCID record with visibility set to Only me. You can manage permission granted to this and other Trusted Organizations in your account settings.

Authorize

Australian Research Council has asked for the following access to your ORCID Record

Read your information with visibility set to Trusted Parties

Allow this organization or application to read any information from your record you have marked as limited access. They cannot read information you have marked as private.

Authorize

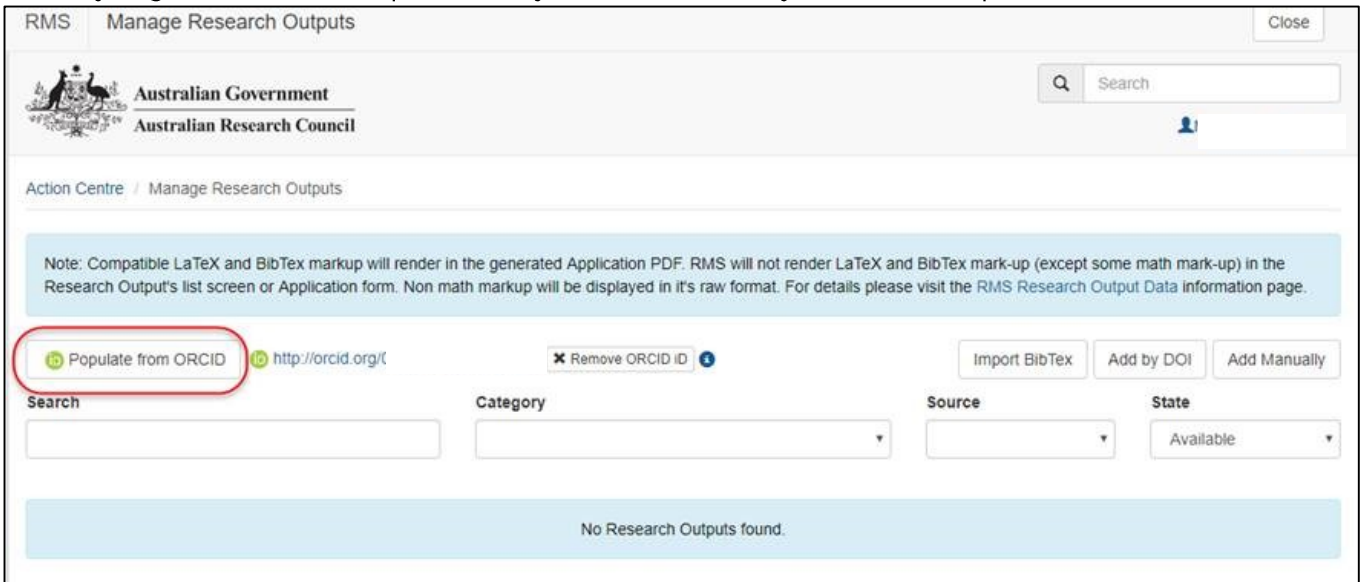

Deny

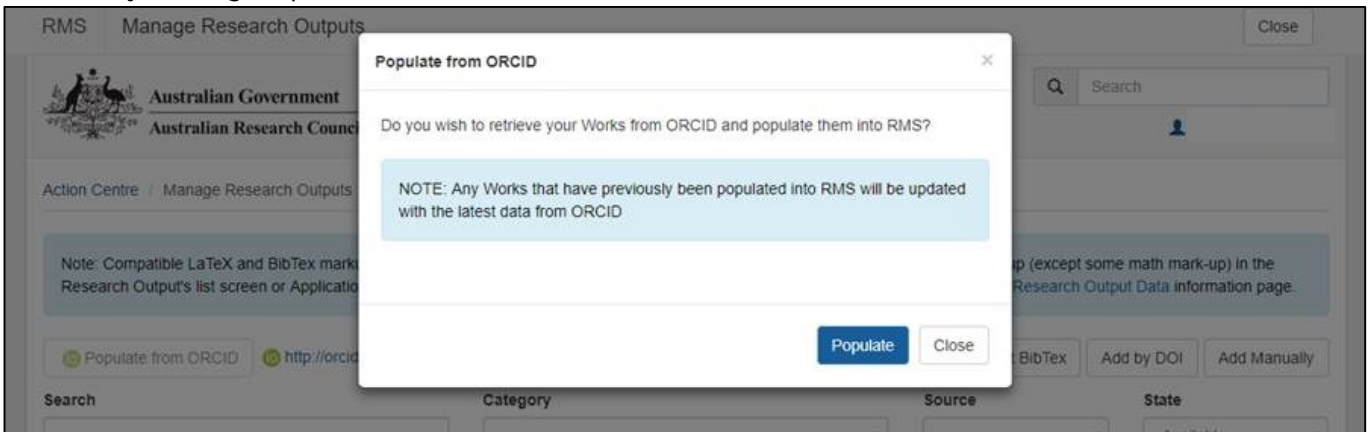

Clicking 'Authorize' gives a confirmation:

Then if you go to Research Outputs under your Person Profile you can click Populate from ORCID:

Confirm by clicking 'Populate'.

The publications from ORCID now appear in the RMS list.

RMS Manage Research Outputs Close

Search

Action Centre / Manage Research Outputs

Note: Compatible LaTeX and BibTeX markup will render in the generated Application PDF. RMS will not render LaTeX and BibTeX mark-up (except some math mark-up) in the Research Output's list screen or Application form. Non math markup will be displayed in it's raw format. For details please visit the RMS Research Output Data information page.

Search Category Source State
